Enforcement Proceedings Initiated by the Environmental Services Department

FOR IMMEDIATE RELEASE

The Environmental Services Department uses one of the following methods of legal action to enforce the Environmental Health Code and the Maricopa County Air Pollution Control Regulations:

- A Permit Revocation may be initiated against a facility/establishment that has not demonstrated compliance or has been found in violation of any applicable Code or Rule. Permit revocation may also be initiated against trailer parks, hotels, semi-public swimming pools, and retail food establishments.

- A Permit may be suspended immediately for serious Environmental Health Code violations which pose a major health hazard or for Air Quality violations. The facility/establishment would not be permitted to operate.

- Citations are issued for violations of the Health Code or Air Pollution Control Regulations. The citation directs the defendant to appear for arraignment in Justice Court.

- Cease and Desist orders are issued for serious violations of the Environmental Health Code. The violation must be corrected immediately and a hearing may be requested. Disregarding the Order will result in injunctive action in Maricopa County Superior Court.

- Orders of Abatement are issued to individuals or corporations for violations of the Maricopa County Air Pollution Control regulations.

The Environmental Services Department has initiated legal action against the following facility/establishment or individual.
